

# Public Personnel Review Index

## VOLUME 2—1941

THE following index contains authors, titles, and subject matter references arranged in one alphabet. The full title of each principal article appears in *italics* under the author's name, and a supplementary citation appears under the subject of the article. Abstracts of articles (A), book reviews (BR), and court decisions (CD) appear under the principal subjects to which they pertain, and are identified by the foregoing parenthetical letters. In addition, all book reviews are arranged alphabetically by author under the heading "Book Reviews."
